COLLEGE OF DENTISTRY

FULL AND PART TIME FACULTY
College of Nursing

NYU College of Nursing seeks candidates for Tenure/Tenure-Track and Clinical positions.

The NYU College of Nursing (NYUCN) has embarked on an ambitious strategic plan to double its full-time faculty in the next four year and to build a new state-of-the-art nursing facility to significantly increase scholarship and research in the field of Nursing and address the world wide nursing shortage.

The following opportunities are available for immediate hire:

- **Tenure/Tenure-Track** (several positions available): Doctorate in Nursing or related field and active program of research and scholarship or documented evidence of potential for significant scholarly activity required.
- **Clinical Assistant, Associate and Professor** (several positions available): Doctorate in Nursing or related field required. Clinical expertise in a specialty area and teaching experience required.
- **Clinical Instructor** (several positions available): Master's Degree in Nursing required. Clinical expertise in a specialty area and teaching experience preferred.

For Clinical positions, preferred areas of specialty include, but are not limited to, maternal health, pediatrics, community health, mental health, medical-surgical and nursing care of adults and older adults, NP specialties, nursing education, nursing administration, and informatics.

Salary and academic rank is dependant on education and experience. NYU has a comprehensive and generous benefits package for full time faculty, please see our web site at www.nyu.edu/hr/benefits. Inquiries and applications (letter of application and curriculum vitae) can be forwarded to **Deborah Chyun, PhD, RN, FAHA; Chair, Search Committee; New York University College of Nursing; 246 Greene Street, 8th Floor; New York, NY 10003-6677. 212-998-5264, email (preferred): dc116@nyu.edu.**

NYU is an Equal Opportunity/Affirmative Action Employer and actively seeks to enhance its diversity.
