GET UP TO $34,000 TO EXCEL IN NURSING SCHOOL. AND BEYOND.

Where can a nursing degree take you upon graduation? Right into one of the world’s most renowned health-care networks. To a place where you’ll find unrivaled training and unparalleled support. Respect as a true caregiving partner. And recognition as a leader in your own right.

NAVY NURSING.

This is an opportunity to become the type of nurse you’ve always wanted to be. Skilled in the latest techniques and technology. Focused on career goals. On a mission to offer hope and healing. Serving those in need and a greater humanitarian cause.

START BY CHECKING OUT THE NAVY NURSE CANDIDATE PROGRAM.

Before you help others, treat yourself to timely financial relief – up to $34,000 paid directly to you to finish nursing school:

• That’s $1,000 a month for up to 24 months
• Plus a $10,000 sign-on bonus to spend as you see fit
(Subject to change. Contact a Navy Recruiter for details.)

ADD ELITE STATUS TO ELITE CREDENTIALS. AND GET IMPRESSIVE BENEFITS.

There’s no exaggerating the fulfilling role that you’ll find as a distinguished Navy Nurse Corps Officer. See what else awaits:

• A competitive salary and supplemental pay
• Scheduled pay raises and regular promotions
• Manageable hours and nurse-to-patient ratios
• Retirement income plus a 401(k)-like savings plan
• 30 days’ vacation with pay earned every year
• Comprehensive medical and dental coverage
• Tax-free allowances for housing and meals
• Free or low-cost world travel opportunities
• Unrivaled clinical, management and leadership training
• Navy-funded advanced-degree programs

Embark on a nursing career that knows no boundaries. In the Navy.

HOW FAR DO YOU WANT YOUR EDUCATION TO TAKE YOU?

Get extensive opportunities for advanced degrees and training – including fully funded graduate programs – while you continue to earn your salary. Call us and we’ll tell you more. Shift your career into high gear.
